VIDAA

43" UHD Smart TV

The 43UV10V1 is a 4K Ultra High Definition LED TV with exceptional multimedia functionality.

Narrow bezel design

With the introduction of a new generation optical bonding technology, Smart Tech TV frames can be made slimmer. It allows a larger display area while maintaining a neat and contemporary design.

- Wider viewing angles up to 178 degrees
- Immersive viewing experience
- 1mm ultra-slim bezels

Ultra-thin

Smart Tech TV offers you less than 8mm thickness with our new generation DLED technology. It brings to your house a complete new level of elegance and minimalism.

4K UHD
3840x2160

FULL HD
1920x1080

4K Ultra High Definition

There are 8.3 million pixels on your 4K UHD TV, which is 4 times more than FULL HD, Enjoy a new level of visuals.

Metallic look feet
stable standing

Wall-mountable design

Mount it on the wall to perfectly blend in
the interior design.

D-LED Technology

Enjoy the excellent condition of your Smart Tech
TV no matter in its light and dark contrast or its
color performances

H.265 HEVC

VS

H.264

H.265 HEVC 

H.265 High Efficiency Video Coding (HEVC) is an advanced video compressions standard, which offers much better picture quality in the same bit rate when compared to regular H.264 standard.

The Dolby Audio logo is centered in a white rectangular box. It features the iconic Dolby 'D' symbol on the left, followed by the words 'Dolby Audio' in a clean, sans-serif font. The background of the box is a dark, atmospheric scene with glowing purple and blue sound waves emanating from a central point, creating a sense of depth and immersion.

Dolby Audio

Amazing sound with Dolby Audio technology. With this technology the TV provides crystal clarity, easy-to-hear dialogue, greater detail, and realistic surround sound to make the entertainment you love even better.

Cuboid Speakers

Providing cinematic viewing experience. The new speakers adopted larger drivers that elevate multiple audio experiences, including stronger bass and echo that could amplify your acoustic immersion.

VIDAA

With the VIDAA TV, whatever you're into - from Showtime to YouTube to tons of games
There's an app you're sure to love.

and more apps can be found from VIDAA.

(Apps availability could be different country by country)

Smartphone remote control

Control your TV and stream to it straight from your smartphone.

The "VIDAA" application for Android and iOS seamlessly pairs with your VIDAA TV via WiFi, allowing you to control your TV straight from your smartphone. You can also launch applications and stream content to your VIDAA Smart TV from the application using Hisense's proprietary Anyview Streaming technology.

Nav Remote Control

Our remote control now features an ergonomic interface, haptic feedback and voice service.

Browse

Popular Apps
Easily discover and manage your apps all in one place.

Search For Content

Search our broad selection of movies and shows. Watch them on the TV or add them to your Favorites.

Curate Your Favorites

Easily create and organize collections of your favorite content.

Share Your Media

Stream music, photos and videos from your mobile device to the TV to enjoy on the big screen.

Easily Manage Your Account

Quickly check your subscriptions, edit account information and more.

109.**The ON-mode power consumption was measured in Eco-mode (factory settings)according to IEC 62087, Edition 2.
The power consumption stated upon the Identification label of the TV-set was determined with maximum settings of all parameters regarding picture brightness

110.***Annual energy consumption, based on the power consumption of the television operating ,4 hours per day for 365 days. The actual energy consumption will depend on how television is used.
